

Following on the success of SURGE 2011 and 2012, we bring you SURGE 2013

Now in its third year, **SURGE 2013** takes place from 28 to 30 October 2013 at the Fairway Hotel in Randburg, Johannesburg.

Co-author of the Surge2012 software suite and world renowned authority on hammer in pipework systems, Prof. Srin Lingireddy will demonstrate how to design high pressure transients out of pipework systems. If you are involved with piping systems, this is an ideal opportunity to draw on the knowledge and skills of Prof. Srin Lingireddy, Dr Sharon Yaniv and the team of valve and piping experts we have assembled.

Surge 2013 carries **3 CPD points** from the South African Institution of Civil Engineering.

Register before 28 August 2013 to qualify for the early bird discount fee of R7065 (*ex VAT*).

Normal Registration Fee: R7850 (*ex VAT*).

All prices exclude VAT at 14%.
